

# Independence Plus Program

LIVE INDEPENDENTLY WITH PEACE OF MIND

## WHAT IS TINTA WITA TIPI'S INDEPENDENCE PLUS PROGRAM?

Tinta Wita Tipi strives to offer seniors options and services that are tailored to their wants and needs. We are proud to offer you the Independence Plus Program.

Our Independence Plus program is designed for those who are already benefiting from our Senior Living services and amenities and

would like the peace of mind that results from having a daily safety check and wearing an emergency pendant.

As a part of the program, our in-house staff will respond during an emergency event and make contact with 911 and/or the resident's emergency contact.

## WHAT DOES THE INDEPENDENCE PLUS PROGRAM INCLUDE?

### Emergency response pendant

- Residents can request in-house emergency response with a push of the pendant 24 hours a day, 7 days a week.
- Additional charges will be assessed following each pendant press.

### Daily I'm OK check

- Once a day, our in-house staff completes a safety check and will alert emergency professionals as needed.

## WHO IS THIS PROGRAM IDEAL FOR?

This program is designed for residents who are completely independent but would still like a way to alert our in-house staff in case of an emergency. This plan allows for maximum independence as well as peace of mind for the resident and their loved ones each day.

## HOW IS THIS PROGRAM DIFFERENT FROM ASSISTED LIVING?

This program is a cost-effective option for those not requiring physical health care services. Only under the Assisted Living level of care can physical health care services be provided on both a scheduled and emergent basis.
